

Weaver Primary School, Nantwich

Construction Update June 2018

Dear Neighbour,

Welcome to the first Harry Fairclough Construction newsletter, providing you with key information on the works being undertaken at Weaver Primary School.

Our site cabins are being delivered on **Saturday 23rd June at 730am**, please can we ask residents to not double park, due to the restricted and tight access.

Project details are as follows:

Project Start: 23 June 2018
Duration: 30 Weeks
Works: Replacement of the existing mobile classroom with a permanent removal, small extensions and internal alterations.
Site Manager Aaron Cain
Contracts Manager Paul Harris

For those of you who haven't met us yet we are a regional contractor with over **120 years** in the business. We are experts in building schools and pride ourselves on creating inspirational working environments for future generations.

Whilst we work in your community we will make it our mission to be considerate neighbours and will ensure that you are regularly updated on any works that might affect your day.

Should you have any queries or would like to discuss any aspect of the project, at any stage, please speak to one of the site management team.

Regards

Aaron
