7th September 2018

Autumn term start date: 10th September 2018

Dear Parents and Carers

Thank you for bearing with us through the last few days of disruption to the start of the Autumn term. I am very pleased to announce that 4 brand new classrooms have been handed over to us today by Harry Fairclough Construction (HFC) and the Local authority.

We are very pleased with the new accommodation and know that it will make a huge difference to the education of our pupils.

We will open as discussed on 10th September at the usual times:

KS1 8.50am

KS2 8.45am

EYFS parents have been informed of the start time for them by Mrs Hart.

Entry to school will be via the gate in the staff car park, just as it was when we broke up. Staff will be on duty to support this.

Pupils will be taken to their classes by staff when the whistle sounds at the start of school day.

At the end of the day Y5/6 pupils will be dismissed through the classroom doors that lead onto the playground and Y1 pupils through the new side entrance opposite the Y2 mobile classroom and the new EYFS pupils will be dismissed through the hall. Y2/3/4 will leave by their usual route.

Staff and contractors have worked very hard over the last week to ensure the school will be operational and I need to pass on my sincere thanks to them for their commitment to the school and our pupils.

The second phase of the works will begin on Monday. This will involve building the Year 3 and 4 classrooms and completing the year 2 classroom. This work is scheduled to be completed by January.

As we have been forced to close the school for three days this week I have taken the decision to work two INSET days planned for the latter end of the academic year. Once I have full governor approval I will confirm with you the dates that have been chosen. The third day will be taken as a disruption day (such as schools experience from time to time) and will not be made up.

Have a lovely weekend and I look forward to welcoming you and your children to a new-look school on Monday.

Kind regards

Gill Price
