Weaver Christmas Carol Service

Dear Parents,

Due to building works at school this year we will be unable to host our usual Christmas productions in the school hall. It has been a major feat continuing to educate our pupils against a backdrop of construction work and the continual movement of children and classes around the school. As the hall is still in use for a class of year 4 pupils, we are unable to use it for rehearsals and it is envisaged that the building work will continue into December.

With this information in mind, we have decided that our Christmas celebration this year will take the form of a traditional Christmas carol concert at St Marys Church on Friday 14th December at 1.30pm. It will be led by year 2 and year 6 pupils, with other classes supporting the singing.

We do hope that you will be able to join us for this celebration of Christmas.

Although we will not be issuing tickets and the church can seat a significant number of people, we ask that you limit places to three per family please .

Kind Regards

Mrs Gill Price
