22nd October 2018

Dear Parents /Guardians,

### **SATS**

I am writing to invite you to a Year 6 SATs Information Evening on Wednesday 14th November at 5:15pm.

In May, your children will be sitting the National Tests to assess their levels of knowledge and understanding of the KS2 curriculum. It is really important that you are equipped to help support your child during these next busy months, as we prepare for the tests. At the session, you will have the opportunity to look through some sample papers and I'll give you some ideas and materials to help your child at home. (I will not be testing you – please come!)

### **Puberty lessons**

As part of the science curriculum, we will be studying the changes that happen to the human body during puberty. I have arranged for the school nurse to visit on Thursday 8<sup>th</sup> November to help deliver the talk. If you have any concerns about the lesson that you wish to discuss with me, you are welcome to call in one day after school.

### **St Mary's Church**

Class 6 have been invited plant crosses at St Mary's Church on the morning of Thursday 8<sup>th</sup> November to mark 100 years since the end of the Great War. If any parents are available to walk down to the town centre with us, I'd be most grateful. We plan to leave school just before 10am and be back around 11am.

Yours sincerely,

**Mrs S Daniels**  
Class Teacher
