Tuesday 3rd December 2019

Dear Pupils,

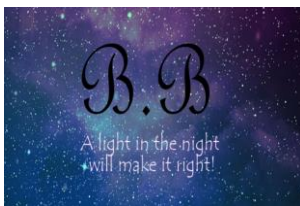

Class 5 have been busy setting up new business ventures. We are working in teams to design, make, market and evaluate a product.

During assembly time on Thursday, each team will launch their new design and show a PowerPoint they have made to advertise their product.

On Friday 6th December, we will be holding a Market Day in our class area to sell the items. Any pupil wishing to buy a product can bring up to £1 in small change (items on sale range from 40p to 80p) in a named purse or envelope on Market Day. Each class will have the opportunity to visit Class 5's market during the day. All profits raised will be sent to Charity.

This has been a really exciting project to be a part of. Thank you for your support.

Mrs Horsley and Class 5's Managing Directors:

Bright Boxes

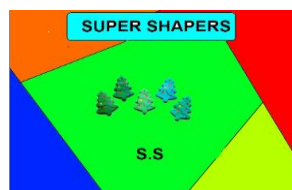

Crazy Christmas Trees

Cool 'Ceyring' Creators

The Dream Gatherers

Super Shapers
