11th December 2019

Dear Parents /Guardians,

As part of the KS2 science National Curriculum, we are required to teach the pupils about growing up and the changes that take place to our bodies during puberty.

I have arranged for the school nurse to visit on Tuesday 7th Jan to help deliver a lesson. You may choose to use the Christmas holidays to talk with your child, ahead of the school session. If you want to pop in before the end of term to chat to me about resources or books that could support this discussion at home, please do.

Yours sincerely,

Mrs S Daniels
Class Teacher
