

Dear Parents of Weaver,

I am the local Police Community Support officer for this school; I hope you are already aware of that. PCSO Lex and I are in Weaver quite a lot working with the teachers and mixing with the pupils. Within our work with the school, we hold different events, making sure we are available for all the children to speak with us.

The events we hold consist of surgeries, playtime visit and assemblies/classroom talks that are around:

- Stranger Danger
- Road Safety
- Role of the Police
- Internet Safety
- Bullying, Good Citizen
- Personal Safety
- Water Safety
- Dangers on Level Crossing
- Cyber Bullying
- Halloween and Bonfire Safety
- Anti-Social Behaviour
- Age of Responsibility

These events have been a great success in the school and we have gained a great relationship with the staff and pupils. We are happy to carry on delivering these in the coming year.

However, I would like to gain a good working relationship with yourself, the parents of Weaver. Is there anything that you require from us? Or would like us to do within the school to help develop a better working relationship with everyone.

Please, respond either Via email or a letter to the school reception. I will pick them up Monday 16<sup>th</sup> December and new year.

Kind Regards

PCSO Vickie and PCSO Lex
