28th February 2020

Dear Parents

This half term, linking with World Book Day, Weaver Primary School have decided to make reading and basic skills a main focus for the home learning tasks for our children. With this in mind, we would ask all families to register for Share A Million Stories (Please see the letter on the school website).

Formal written home learning will not be set this half term, however children will be expected to:

- Read
- Practise phonics and spelling rules
- Practise times tables
- Practise mathematics skills and knowledge practised in class

To do this, please use the following websites which will be monitored by class teachers:

- World Book Day
- Phonics Play
- Spelling Frame
- TT Rockstars
- Mathletics

Class 2 and class 6 will continue to do work set linking to SATs revision.

Thank you for your continued support.

The Weaver Team.
