13th March 2020

Dear Parents,

We as a school are ensuring that we are as informed as possible with any changes in Government policy regarding *Coronavirus* and how they intend to deal with the situation going forward.

Following the government update given yesterday evening I can confirm that it is still the official position that **schools are to stay open** until further notice. This means that we, along with other schools both locally and nationally, **will continue as normal at the current time**.

I would like to reassure parents that we are remaining vigilant and are ensuring that our information is as up to date as possible. We have strictly followed the advice shared by the Department for Education and the NHS regarding hand washing and hygiene, and we are reinforcing this message with our pupils. We also are receiving regular updates from Cheshire East. Attendance at our school whilst very important should not come at the expense of anyone's health. We are committed to ensuring that our children continue to get the best possible education that we can provide with minimum interruptions. We also need to be mindful of the health of our children and staff and that we follow the isolation guidelines. If your child has a high temperature or a cough we will have to insist that they remain away from school for **7 days**. Any siblings in school will also have to isolate too.

Parents are asked to check the NHS advice site at www.nhs.uk/conditions/coronavirus-covid-19/ for guidance on the best ways in which to minimise the chances of infection. The site also gives clear advice on what to do if you believe that someone in your household has picked up the virus.

In the event of a suspected case of *Coronavirus* at school we are required to inform the local authority immediately, who will advise as to what to do next. This has so far not been necessary.

Can we ask that you inform school of any change of contact information so we can get in touch with any important information. I would like to thank all of you for your continued co-operation with the school and for your commitment to ensuring that your children continue to attend.

Kinds regards,

Mrs G Price
