Dear Parents/Carers

Mutli Academy Trust Consultation

Since the last academic year, the Weaver Governing Body has been investigating the possibility of converting the school to a Multi-Academy Trust. This is a group of schools who work collaboratively and are governed by one set of academy trustees but where each school nonetheless retains its own governing body in order to continue making decisions at a local and school level. We have visited other Multi Academy Trusts in the area to talk to governors, headteachers and teachers and to see for ourselves how Multi Academy Trusts work and the tangible benefits that conversion would bring for our school.

This period of information gathering is now closed and last night the governors formally voted to commence with the consultation process and to formally investigate the possibility of forming a Multi Academy Trust with Brine Leas School as a partner. This does not mean that we will definitely convert but is an opportunity for all stake-holders to air their views and to receive answers to any questions that they may have.

We will shortly be inviting you to a meeting in the Spring Term where you will receive more information.

These are exciting times for The Weaver and we value your say on how we proceed.

Yours faithfully

Jason Robbins
Chair of Governors
