

NO ACCOMMODATION

- 1 No accommodation, no place to stay,
All our rooms are taken, so go away!
Everywhere is busy, we're all booked up,
Better tell the 'Mrs', you're out of luck!*

CHORUS *People in the bathroom, people up and down the stairs,
People eating supper, people chatting in their chairs,
People busy laughing, people getting in my hair,
People pushing, people shoving, people everywhere!*

- 2 **Repeat verse 1**

CHORUS

- 3 Even though tomorrow we'll still be full,
I could let you borrow my cattle stall.
If you think you're able to get some sleep,
You can use the stable to rest your feet.

* Alternative line: 'Sorry, it's a pity, you're out of luck!'
