

# Twinkle, Twinkle, Follow The Star

- 1 Twinkle, twinkle, follow the star,  
Follow the star tonight.  
Twinkle, twinkle, follow the star,  
Follow the star tonight.

**CHORUS** *We have never seen a star so bright,  
We have waited all these years.  
In the darkness you will be our guide,  
We will follow, follow, follow the star tonight.*

- 2 Twinkle, twinkle, look at the sky,  
Look at the sky tonight.  
Twinkle, twinkle, look at the sky,  
Look at the sky tonight.
