

Parent Testimonial
Eve Merrill
November 2020

As a mum of two children who currently attend Weaver primary school in Nantwich, I would have absolutely no hesitation in recommending the school to other local families who may be starting to consider primary schools for their new starter.

My youngest daughter has just turned 5 and is in the Reception class. My eldest, who is 10, is in the final year of primary school and preparing for the transition to high school next year. So as a parent, I have experienced the full spectrum of a Weaver education!

From the tentative first few days right through to Year 6, I have always found the school to be a very welcoming, nurturing and fun environment for my children to be in every day. There is a strong culture of inclusivity and equality with every child supported daily to be the very best they can be. With close links to its families and the wider community, the school really does feel like a home-from-home.

The teachers and teaching assistants at Weaver are truly remarkable. I personally believe their work ethic and relationships not only with the children, but parents and carers alike, are the greatest asset to the school and truly sets it apart from others. Each teacher in every year group is incredibly friendly, professional and approachable operating an "open door" policy so any questions or concerns you may have will be promptly listened to, discussed and resolved. As a parent I have always felt fully supported and safe in the knowledge that my child's needs are being met both educationally and in terms of general health and well-being.

Suffice to say that both of my girls are happy and thriving at the Weaver. I genuinely couldn't have hoped for a better start to their academic journey. I am also confident that, when the time comes, they will leave feeling fully prepared and empowered to continue their education with confidence and ambition.

On behalf of my family, I would personally like to say a huge "Thank You" to Mrs Price and her amazing team of staff for their ongoing dedication, encouragement and commitment every single day! It is very much appreciated and will be for many years to come.
